

AI Media Creator Test Tasks

Hi there! Welcome to the AI Media Creator test task!

This is a **two-part** creative task designed to evaluate your ability to interpret a brand, develop visual storytelling concepts, and execute diverse lifestyle-driven content across both static and motion formats.

You will be working with the [Mrs. Quilty](#) brand world and creating:

- Part 1: 5-10 lifestyle/UGC-style images
- Part 2: 5–7 short-form video clips (5 - 10 sec each)

We are looking for range, originality, strong creative thinking, and alignment with the brand identity and target audience.

!!Important!

- Please don't use HeyGen to complete the task.
- To ensure you that this test task is used only for evaluation purposes we encourage you to add your watermark to the assets you produce.
- **Please make sure you add a note in the task folder explaining you process and AI tools you used.**

Part 1: Image Generation

Generate 5-10 unique images (4:5 format) using AI tools with the provided reference product footage.

Requirements:

- Use AI tools to generate realistic lifestyle images that feel like they were taken by real customers.
- Each image must feature our products clearly and naturally.

- Show strong variety: different people, environments, lighting conditions, and moods (e.g., home setting, cozy corner, crafting desk, soft morning light, evening atmosphere, etc.).
- Keep the style authentic and social-media friendly. Avoid overly polished, commercial, or stock-photo aesthetics.

The product should feel integrated into real life, not staged for a catalog.

Deliverables:

1. 5-10 unique images.
2. A short note explaining which AI tools you used.

TASK 2: Generate 5-7 short video clips

Generate 5–7 short video clips (5–10 seconds each) using AI tools of your choice and the brand materials provided below.

Requirements:

- All clips must be AI-generated.
- The product must be visible and naturally integrated in each scenario.
- Each video should represent a different setting, mood, or moment within the brand world.
- Show variety in pacing, framing, lighting, and emotional tone.

Possible directions for inspiration (do not replicate directly):

- Unboxing moment
- Hands working with materials
- Cozy crafting session at home
- Close-up on textures and stitching details
- Reaction or discovery moment
- Styled product moment
- Minimal studio-style content

We are looking for range in execution and storytelling.

Deliverables:

1. 5 - 7 short video clips 5–10 seconds each (in square format, 1080x1080).
2. A short note explaining which AI tools and prompts you used.
